During this time of Covid-19 Crisis, we have the following suggestions to help people recognize domestic abuse and respond with compassion.

1. For an emergency, do call 911.
2. To safety plan for self or family or friend, contact National DV Hotline at 1-800-799-SAFE (7233) or 800-787-3224 TTY. https://www.thehotline.org/help/

The Hotline is encouraging people to contact them about family or friends.
